

TRANSPORT (T80) CLEVIS GRAB HOOK - IMPORT

Need to bind a load? This Transport Grade 80 Clevis Grab Hook is perfect for load binding applications on a transport chain. Make your attachment to chain quick and easy with the clevis pin on the Grab Hook. This hook is made of forged alloy steel and is quenched and tempered before proof testing. It meets DOT/CVSA/CCMTA requirements and comes in a black powder coat finish. NOT for overhead lifting.
